

GIFT IT FORWARD  
A PROJECT OF  
GIFT  
IN CONJUNCTION WITH HGSS

HGSS, together with the charity GIFT, are delighted to launch a new initiative in our community. We are offering the opportunity for children of all ages to donate one or more of their birthday presents to a good cause.

There will be boxes situated, during the week, in the hall foyer and at Kerem House. Children who would like to donate a birthday present will have the opportunity to deposit it into one of these boxes.

The presents will then be distributed to children's charities every month by a delegation of 12 children.

It is our hope that this project helps us in our goal to promote the value of chesed in our community.

If you would like any more information, please contact Dara on [team@donatemypresent.com](mailto:team@donatemypresent.com) .
