

# Help us turn your old mobiles in to matzah!

## Have you got any old mobile handsets hiding in a cupboard or drawer?

Everyone knows recycling is good for the environment, and now recycling can also make a difference to the lives of people in your community.

Project Chesed is collecting old mobile phones which will be re-used where possible – and if not they'll be recycled. The great news is that for every old phone you give us, we'll get money back that will be invested in Pesach food parcels.

These parcels help members of our communities struggling with the extra costs of Pesach.

Please bring your old mobile handsets to your local collection point (not on Shabbat of course!).

Help us to make a difference to even more lives.

(We just need your old phone with its battery. No chargers required, and don't forget to remove your SIM card)

Project Chesed teaches the Jewish responsibility we have for our fellow human beings, encourages more acts of charity and kindness, and inspires our community to make a difference.

In loving memory of Brian Roden ז"ל ואל הכהן ז"ל לזכר נשמת בנימין בן יואל הכהן ז"ל  
and Dr Benjamin Angel ז"ל לזכר נשמת בנימין ברוך בן טוביה לייב ז"ל

Project Chesed is generously supported by the Dr Benjamin Angel Foundation.  
It is a joint United Synagogue/London School of Jewish Studies initiative.
