

# Give us your old football shirts...

african passions

unlocking opportunities

## and help support the African Passions team in Western Kenya!

How many 'out of date' football shirts have you got lying at the back of your cupboard? Or kits that your kids can no longer fit into? Project Chesed is delighted to be working with African Passions to help you give someone else that excitement you feel when you put a football shirt on for the first time.

### What you can donate

Regardless of age, size or team, all donations are welcome. This includes Premiership kits, replica shirts and Sunday League kits – and everything in-between. We can also accept football shorts, socks, boots, medals, shin pads, trousers, jackets and arm bands. Simply drop off your donation at your local collection point.

Your donation will help unlock opportunities for African communities through broader education and organised sport and not to mention bring some fun into people's lives.

Give your football shirts and other football kit a new lease of life – and help to inspire a new generation of Africans.
